

Troll Blood

Alchemical Ingredient

- Appearance: Thick dark-red paste with a copper smell.
- Simple Test: Cut a groove with a spoon: the groove slowly closes.
- Handling: Store in a sealed jar. Left open on the bench, it will slowly heal over any container it is left in, sealing lids shut.
- Found: Alchemist Chamber

Wyvern Venom

Alchemical Ingredient

- Appearance: Clear yellow oily fluid with a bitter medicinal smell.
- Simple Test: Place one drop on fresh meat: the edges gray.
- Handling: Do not taste or touch to open skin. Use the dropper provided and re-cork the vial immediately after testing.
- Found: Alchemist Chamber
