Common · Scroll

A Spell Scroll is a magic item that bears the words of a cantrip spell, respectively, determined by the scroll's creator. If the spell is on your class's spell list, you can read the scroll and cast the spell using its normal casting time and without providing any Material components.
If the spell requires a saving throw or an attack roll, the spell save DC is 13, and the attack bonus is +5. The scroll disintegrates when the casting is completed.

Uncommon · Scroll

A Spell Scroll bears the words of a single spell, written in a mystical cipher. If the spell is on your spell list, you can read the scroll and cast its spell without Material components. Otherwise, the scroll is unintelligible. Casting the spell by reading the scroll requires the spell's normal casting time. Once the spell is cast, the scroll crumbles to dust. If the casting is interrupted, the scroll isn't lost.
If the spell is on your spell list but of a higher level than you can normally cast, you make an ability check using your spellcasting ability to determine whether you cast the spell. The DC equals 10 plus the spell's level. On a failed check, the spell disappears from the scroll with no other effect.
Copying a Scroll into a Spellbook. A Wizard spell on a Spell Scroll can be copied into a spellbook. When a spell is copied in this way, the copier must succeed on an Intelligence (Arcana) check with a DC equal to 10 plus the spell's level. On a successful check, the spell is copied. Whether the check succeeds or fails, the Spell Scroll is destroyed.

Uncommon · Spellbook (Bundle of 5 Spell Scrolls)

Radiant. Light to burn the restless dead and hold the line while allies swing.
This tome is a bundle of five spell scrolls, one spell per page. A creature can take an action to cast one of the inscribed spells, using it like a spell scroll. If the spell is on your class's spell list you cast it with no check. Otherwise make a spellcasting ability check (DC 10 + the spell's level); on a failure the page is spent with no effect. Casting a spell uses up that page. When all five pages are spent, the tome becomes mundane.
• Sacred Flame (Cantrip): Dex save, 1d8 radiant, ignores cover
• Guiding Bolt (1st): Ranged spell attack, 4d6 radiant, next attacker has advantage
• Bless (1st): Three creatures add 1d4 to attack rolls and saves (concentration)
• Aid (2nd): Raise three creatures' current and maximum HP by 5
• Spirit Guardians (3rd): 15-ft radiant aura, 3d8, enemy speed halved (concentration)

Vial of Poison

GP

Uncommon · Poison

As an Action, you can coat one weapon or up to three pieces of ammunition with this oily black venom. A vial holds one application. Once applied, the coating lasts for 1 minute.
For that minute, each creature that takes damage from the coated weapon takes an extra 2d4 Poison damage on that hit. A creature that takes this extra Poison damage then takes 1d4 Poison damage at the start of each of its turns. At the end of each of its turns, the creature can make a DC 12 Constitution saving throw, ending the ongoing Poison damage on a success. Once a creature succeeds on this saving throw, it can't be affected by this poison again.
