CHALLENGE

5 (1,800 XP)

TRAITS

Incorporeal Movement. The wraith can move through other creatures and objects as if they were Difficult Terrain. It takes 5 (1d10) Force damage if it ends its turn inside an object.**Sunlight Sensitivity.** While in sunlight, the wraith has Disadvantage on attack rolls, as well as on Wisdom (Perception) checks that rely on sight.

ACTIONS

Life Drain. *Melee Attack Roll:* +6, reach 5 ft. *Hit:* 21 (4d8 + 3) Necrotic damage. The target makes a DC 14 Constitution saving throw. On a failed save, its Hit Point maximum is reduced by an amount equal to the damage taken. This reduction lasts until the target finishes a Long Rest. The target dies if this effect reduces its Hit Point maximum to 0.**Create Specter (1/Day).** The wraith targets a Humanoid within 10 feet of it that has been dead for no longer than 1 minute and died violently. The target's spirit rises as a Specter in the space of its corpse or in the nearest unoccupied space. The Specter is under the wraith's control. The wraith can have no more than seven Specters under its control at one time.
