Features and Feats

Sorcerer and Wild Magic rules

SORCERER AND WILD MAGIC

Innate Sorcery

BONUS ACTION

Spend 1 use for 1 minute. Sorcerer save DC rises by 1, and Sorcerer spell attacks have Advantage.

NO ACTION OR BONUS ACTION

Use the single Sorcery Point pool. Convert slots to SP, or spend 2 SP for a level 1 slot and 3 SP for a level 2 slot.

Careful Spell

SPECIAL

Spend 1 SP while casting a save spell. Protect up to 3 creatures so they succeed and avoid half damage if that applies.

Empowered Spell

SPECIAL

Spend 1 SP when rolling spell damage. Reroll up to 3 damage dice and use the new rolls.

Wild Magic Surge

PASSIVE

After casting a Sorcerer spell with a slot, roll d20 once per turn. On a 20, roll on the surge table.

Magic Initiate, Wizard

PASSIVE

Shocking Grasp and Acid Splash are free cantrips. Detect Magic has 2 free casts here and can also use spell slots.

Magic Initiate, Cleric

PASSIVE

Moment to Think and Sacred Flame are free cantrips. Guiding Bolt has 2 free casts here and can also use spell slots.

On Your Turn

Actions, spell slots, and one canonical resource bank

TURN STRUCTURE

Action economy: Each turn you can Move, take 1 Action, and maybe 1 Bonus Action. Between turns you get 1 Reaction.

ACTIONS

- Cast a cantrip or leveled spell.
- Cast Shocking Grasp, Acid Splash, Detect Magic, Moment to Think, Sacred Flame, or Guiding Bolt from Magic Initiate.
- Attack, Dash, Disengage, Dodge, Help, Hide, Ready, Search, Study, Influence, or Utilize.

BONUS ACTIONS

- Innate Sorcery: spend 1 use for the 1-minute boost.
- Font of Magic: spend 2 SP for a level 1 slot or 3 SP for a level 2 slot.
- Misty Step: teleport up to 30 ft. to an unoccupied space you can see.
- Moment to Think: rules need confirmation from the source.

REACTIONS

- Opportunity Attack: when a creature you can see leaves your reach, make one melee attack.

SPELLCASTING

SAVE DC	ATTACK	ABILITY
13	+5	CHA

Concentration: You can keep only one concentration spell at a time. Taking damage can force a Constitution save to keep it.

DOUBLED SPELL SLOTS, NO REST

Spell slots: Cross off a slot when you cast a leveled spell. Cantrips are free. These slots are doubled because there is no rest here.

Level 1

Level 2

SINGLE CANONICAL RESOURCE TRACKERS

Sorcery Points

Innate Sorcery

Tides of Chaos

Detect Magic free cast

Guiding Bolt free cast

Careful Spell, Empowered Spell, and Font of Magic all spend the same Sorcery Point pool. They do not have separate trackers.

EQUIPMENT, LANGUAGES, AND SOURCE NOTES

TABLE HANDLING

Weapons: Simple Weapons. Tools: Calligrapher's Supplies. Languages: Common, Elvish, Goblin.

Coins: source data lists 28 GP and 0 lb. carried. Campaign canon says characters wake with no useful gear or coin until Item Cards are found, so this proof treats coins as source-only, not starting table gear.
