ON YOUR TURN

Each turn you can **Move**, take one **Action**, maybe one **Bonus Action**, and between turns one **Reaction**.

ACTIONS

- Cast a spell (see the Spell Reference pages)
- Attack with a weapon or damaging cantrip (see Skills page)
- Dash, Disengage, Dodge, Hide, Help, Search, Ready, Shove, Grapple, Influence, Study, Utilize

BONUS ACTIONS

- None special

REACTIONS

- Opportunity Attack when a creature leaves your reach
- Cast a spell with a Reaction casting time

HOUSE RULES

- **Catch your breath.** Out of combat, spend one Hit Die + your Constitution modifier to heal. Up to 3 times all run; mark each on the Hit Dice track above.
- **Spellcasting.** Cast any spell of a type you can cast from a found Spell Book, if you have the slots. You can reach one level above your normal maximum by spending two slots of the level just below it: two level-1 slots cast a level-2 spell, two level-2 slots cast a level-3 spell like Fireball. That over-level cast needs a spellcasting check (DC 10 + the spell's level). The slots are spent whether you pass or fail, and a failure fizzles the spell.

ATTACKS & DAMAGING CANTRIPS

Roll d20 + the Hit number to hit with an attack. For a spell that forces a save, the target rolls against your DC instead.

ATTACK	HIT / DC	DAMAGE	NOTES
Toll the Dead	DC 13	1d8 necrotic	WIS save, 60 ft
Eldritch Blast	+5	1d10 force	120 ft
Fire Bolt	+5	1d10 fire	120 ft
Ray of Frost	+5	1d8 cold	60 ft
Unarmed Strike	+1	0 bludgeoning	Melee

Writing in a weapon? To hit, add your proficiency and ability modifier: melee is +1 (STR), finesse or ranged is +4 (DEX). Add that same modifier to the weapon's damage.

Drop. The target drops whatever it is holding and then ends its turn.

Flee. The target spends its turn moving away from you by the fastest available means.

SUGGESTION *Level 2 Enchantment*

Casting Time: Action **Range:** 30 ft **Components:** V, M (a drop of honey)

Duration: Concentration, up to 8 hour

Concentration

Saving throw

You suggest a course of activity—described in no more than 25 words—to one creature you can see within range that can hear and understand you. The suggestion must sound achievable and not involve anything that would obviously deal damage to the target or its allies. For example, you could say, “Fetch the key to the cult’s treasure vault, and give the key to me.” Or you could say, “Stop fighting, leave this library peacefully, and don’t return.”

The target must succeed on a Wisdom saving throw or have the Charmed condition for the duration or until you or your allies deal damage to the target. The Charmed target pursues the suggestion to the best of its ability. The suggested activity can continue for the entire duration, but if the suggested activity can be completed in a shorter time, the spell ends for the target upon completing it.
