ON YOUR TURN

Each turn you can **Move**, take one **Action**, maybe one **Bonus Action**, and between turns one **Reaction**.

ACTIONS

- Attack with a weapon or damaging cantrip (see Skills page)
- Dash, Disengage, Dodge, Hide, Help, Search, Ready, Shove, Grapple, Influence, Study, Utilize

BONUS ACTIONS

- None special

REACTIONS

- Opportunity Attack when a creature leaves your reach
- Cast a spell with a Reaction casting time

HOUSE RULES

- Catch your breath.** Out of combat, spend one Hit Die + your Constitution modifier to heal. Up to 3 times all run; mark each on the Hit Dice track above.
- Spellcasting.** Cast any spell of a type you can cast from a found Spell Book, if you have the slots. You can reach one level above your normal maximum by spending two slots of the level just below it: two level-1 slots cast a level-2 spell, two level-2 slots cast a level-3 spell like Fireball. That over-level cast needs a spellcasting check (DC 10 + the spell's level). The slots are spent whether you pass or fail, and a failure fizzles the spell.

ATTACKS & DAMAGING CANTRIPS

Roll d20 + the Hit number to hit with an attack. For a spell that forces a save, the target rolls against your DC instead.

ATTACK	HIT / DC	DAMAGE	NOTES
Unarmed Strike	+5	4 bludgeoning	Melee

Writing in a weapon? To hit, add your proficiency and ability modifier: melee is +5 (STR), finesse or ranged is +2 (DEX). Add that same modifier to the weapon's damage.

WHO YOU ARE

YOUR ANCESTRY: DWARF

Your ancestry gives you a few natural traits.

- **Darkvision.** You have Darkvision with a range of 120 feet.
- **Dwarven Resilience.** You have Resistance to Poison damage. You also have Advantage on saving throws you make to avoid or end the Poisoned condition.
- **Dwarven Toughness.** Your Hit Point maximum increases by 1, and it increases by 1 again whenever you gain a level.
- **Stonecunning.** As a Bonus Action, you gain Tremorsense with a range of 60 feet for 10 minutes. You must be on a stone surface or touching a stone surface to use this Tremorsense. The stone can be natural or worked.

YOUR BACKGROUND: GUARD

Your feet ache when you remember the countless hours you spent at your post in the tower. You were trained to keep one eye looking outside the wall, watching for marauders sweeping from the nearby forest, and your other eye looking inside the wall, searching...

- **Trained Skills.** Athletics and Perception (already on your Skills page).
- **Tools.** Choose one kind of Gaming Set.
- **Origin Feat.** Alert (explained under Your Feats).

YOUR FEATS

Feats are special perks from your background and choices, on top of your class.

- **Alert.** Origin Feat. You gain the following benefits. Initiative Proficiency. When you roll Initiative, you can add your Proficiency Bonus to the roll. Initiative Swap. Immediately after you roll Initiative, you can swap your Initiative with the Initiative of one willing ally in the same combat.
- **Weapon Mastery.** Your training with weapons allows you to use the mastery properties of three kinds of Simple or Martial weapons of your choice. Whenever you finish a Long Rest, you can practice weapon drills and change one of those weapon choices.
- **Two-Weapon Fighting.** Fighting Style Feat (Prerequisite: Fighting Style Feature). When you make an extra attack as a result of using a weapon that has the Light property, you can add your ability modifier to the damage of that attack if you aren't already adding it to the damage.
- **Dark Bargain.** A pact perk from your backstory. Confirm its exact effect with your DM before play.

YOUR CLASS: FIGHTER (CHAMPION)

A Master of All Arms and Armor. Fighters all share an unparalleled prowess with weapons and armor, and are well acquainted with death, both meting it out and defying it. Primary Ability: Strength or Dexterity. Hit Point Die: D10. Saves: Strength & Constitution

WHO YOU ARE

Pursue Physical Excellence in Combat. A Champion focuses on the development of martial prowess in a relentless pursuit of victory.

Track your limited uses here. Each box is one use, and every per-rest use is doubled because this dungeon has no rest.

- **Weapon Mastery.** Passive. You can use the mastery property of three kinds of weapons you chose.
