BONUS ACTIONS

HOUSE RULES

- Catch your breath.** Out of combat, spend one Hit Die + your Constitution modifier to heal. Up to 3 times all run; mark each on the Hit Dice track above.
- Spellcasting.** Cast any spell of a type you can cast from a found Spell Book, if you have the slots. You can reach one level above your normal maximum by spending two slots of the level just below it: two level-1 slots cast a level-2 spell, two level-2 slots cast a level-3 spell like Fireball. That over-level cast needs a spellcasting check (DC 10 + the spell's level). The slots are spent whether you pass or fail, and a failure fizzles the spell.

ATTACK	HIT / DC	DAMAGE	NOTES

Writing in a weapon? To hit, add your proficiency and ability modifier: melee is +5 (STR), finesse or ranged is +2 (DEX). Add that same modifier to the weapon's damage.
