ON YOUR TURN

Each turn you can **Move**, take one **Action**, maybe one **Bonus Action**, and between turns one **Reaction**.

ACTIONS

- Cast a spell (see the Spell Reference pages)
- Attack with a weapon or damaging cantrip (see Skills page)
- Dash, Disengage, Dodge, Hide, Help, Search, Ready, Shove, Grapple, Influence, Study, Utilize

BONUS ACTIONS

- Healing Word

REACTIONS

- Opportunity Attack when a creature leaves your reach
- Cast a spell with a Reaction casting time

HOUSE RULES

- **Catch your breath.** Out of combat, spend one Hit Die + your Constitution modifier to heal. Up to 3 times all run; mark each on the Hit Dice track above.
- **Spellcasting.** Cast any spell of a type you can cast from a found Spell Book, if you have the slots. You can reach one level above your normal maximum by spending two slots of the level just below it: two level-1 slots cast a level-2 spell, two level-2 slots cast a level-3 spell like Fireball. That over-level cast needs a spellcasting check (DC 10 + the spell's level). The slots are spent whether you pass or fail, and a failure fizzles the spell.

ATTACKS & DAMAGING CANTRIPS

Roll d20 + the Hit number to hit with an attack. For a spell that forces a save, the target rolls against your DC instead.

ATTACK	HIT / DC	DAMAGE	NOTES
Toll the Dead	DC 13	1d8 necrotic	WIS save, 60 ft
Sacred Flame	DC 13	1d8 radiant	DEX save, 60 ft
Unarmed Strike	+5	4 bludgeoning	Melee

Writing in a weapon? To hit, add your proficiency and ability modifier: melee is +5 (STR), finesse or ranged is +2 (DEX). Add that same modifier to the weapon's damage.

WHO YOU ARE

YOUR ANCESTRY: GOLIATH

Your ancestry gives you a few natural traits.

- **Giant Ancestry.** You are descended from Giants. Choose one of the following benefits—a supernatural boon from your ancestry; you can use the chosen benefit a number of times equal to your Proficiency Bonus, and you regain all expended uses when you finish...
- **Large Form.** Starting at character level 5, you can change your size to Large as a Bonus Action if you're in a big enough space. This transformation lasts for 10 minutes or until you end it (no action required).
- **Powerful Build.** You have Advantage on any ability check you make to end the Grappled condition. You also count as one size larger when determining your carrying capacity.

YOUR BACKGROUND: FARMER

You grew up close to the land. Years tending animals and cultivating the earth rewarded you with patience and good health. You have a keen appreciation for nature's bounty alongside a healthy respect for nature's wrath.

- **Trained Skills.** Animal Handling and Nature (already on your Skills page).
- **Tools.** Carpenter's Tools.
- **Origin Feat.** Tough (explained under Your Feats).

YOUR FEATS

Feats are special perks from your background and choices, on top of your class.

- **Tough.** Origin Feat. Your Hit Point maximum increases by an amount equal to twice your character level when you gain this feat. Whenever you gain a character level thereafter, your Hit Point maximum increases by an additional 2 Hit Points.
- **Dark Bargain.** A pact perk from your backstory. Confirm its exact effect with your DM before play.
- **Character Threads.** Threads are aspects added to characters at any time during their career that have a specific short or long-term goal.
- **Runestones.** At the beginning of the Northlands Sagas adventure path, each player should draw one Runestone randomly.

YOUR CLASS: CLERIC (WAR DOMAIN)

A Miraculous Priest of Divine Power. Clerics can reach out to the divine magic of the Outer Planes and channel it to bolster people and battle foes. Primary Ability: Wisdom. Hit Point Die: D8. Saves: Wisdom & Charisma

Inspire Valor and Smite Foes. War has many manifestations. It can make heroes of ordinary people. It can be desperate and horrific, with acts of cruelty and cowardice eclipsing instances of excellence and courage.

WHO YOU ARE

Track your limited uses here. Each box is one use, and every per-rest use is doubled because this dungeon has no rest.

Channel Divinity
Spend a use to power a Channel Divinity option (Turn Undead or your domain's option).

War Priest: Bonus Attack
Bonus Action to make one extra weapon or Unarmed Strike attack.

- **Channel Divinity.** Channel Divinity use. You can channel divine power for special effects. You start with two options, Divine Spark and Turn Undead, plus your domain's option below. Track uses on your usage boxes above.
- **Divine Spark.** Magic action (Channel Divinity use). Point at a creature within 30 ft and roll dice to either deal Radiant or Necrotic damage (it makes a save for half) or restore its Hit Points.
- **Turn Undead.** Magic action (Channel Divinity use). Each Undead within 30 ft that can see or hear you must make a Wisdom save or spend 1 minute Frightened and forced to flee from you.
- **Divine Order.** Passive. You chose the Protector role: you gain proficiency with Martial weapons and Heavy armor.
- **War Priest.** Bonus Action (War Priest use). As a Bonus Action, make one attack with a weapon or an Unarmed Strike. You can do this a number of times equal to your Wisdom modifier. Track uses on your usage boxes above.
- **Guided Strike.** Channel Divinity use. When you or a creature within 30 ft misses with an attack roll, spend one Channel Divinity use to add +10 to that roll, often turning the miss into a hit.

SPELL REFERENCE

LEVEL 1 SPELLS — EACH CASTING SPENDS A SLOT

WARDAWAY *Level 1 Abjuration*

Casting Time: Action **Range:** 60 ft **Components:** V, S, M (a miniature clay hand) **Duration:** Instantaneous

Saving throw

You hurl a disorienting magical force toward one creature within range. The target makes a Constitution saving throw; Constructs and Undead automatically succeed on this save.

On a failed save, the target takes 2d4 Force damage, its Speed is halved until the start of your next turn, and on its next turn, it can take only an action or a Bonus Action (but not both). On a successful save, the target takes half as much damage only.

Using a Higher-Level Spell Slot. The damage increases by 2d4 for every spell slot level above 1.

INFLECT WOUNDS *Level 1 Necromancy*

Casting Time: Action **Range:** Touch **Components:** V, S **Duration:** Instantaneous

Saving throw

A creature you touch makes a Constitution saving throw, taking 2d10 Necrotic damage on a failed save or half as much damage on a successful one.

Using a Higher-Level Spell Slot. The damage increases by 1d10 for each spell slot level above 1.

HEALING WORD *Level 1 Abjuration*

Casting Time: Bonus Action **Range:** 60 ft **Components:** V **Duration:** Instantaneous

A creature of your choice that you can see within range regains Hit Points equal to 2d4 plus your spellcasting ability modifier.

Using a Higher-Level Spell Slot. The healing increases by 2d4 for each spell slot level above 1.

CURE WOUNDS *Level 1 Abjuration*

Casting Time: Action **Range:** Touch **Components:** V, S **Duration:** Instantaneous

A creature you touch regains a number of Hit Points equal to 2d8 plus your spellcasting ability modifier.

Using a Higher-Level Spell Slot. The healing increases by 2d8 for each spell slot level above 1.

LEVEL 2 SPELLS — EACH CASTING SPENDS A SLOT

HOLD PERSON *Level 2 Enchantment*

Casting Time: Action **Range:** 60 ft **Components:** V, S, M (a straight piece of iron)

Duration: Concentration, up to 1 minute

Concentration

Saving throw

Choose a Humanoid that you can see within range. The target must succeed on a Wisdom saving throw or have the Paralyzed condition for the duration. At the end of each of its turns, the target repeats the save, ending the spell on itself on a success.

Using a Higher-Level Spell Slot. You can target one additional Humanoid for each spell slot level above 2.

SPELL REFERENCE

FIND TRAPS *Level 2 Divination*

Casting Time: Action **Range:** 120 ft **Components:** V, S **Duration:** Instantaneous

You sense any trap within range that is within line of sight. A trap, for the purpose of this spell, includes any object or mechanism that was created to cause damage or other danger. Thus, the spell would sense the Alarm or Glyph of Warding spell or a mechanical pit trap, but it wouldn't reveal a natural weakness in the floor, an unstable ceiling, or a hidden sinkhole.

This spell reveals that a trap is present but not its location. You do learn the general nature of the danger posed by a trap you sense.
