ON YOUR TURN

Each turn you can **Move**, take one **Action**, maybe one **Bonus Action**, and between turns one **Reaction**.

ACTIONS

- Cast a spell (see the Spell Reference pages)
- Attack with a weapon or damaging cantrip (see Skills page)
- Dash, Disengage, Dodge, Hide, Help, Search, Ready, Shove, Grapple, Influence, Study, Utilize

BONUS ACTIONS

- Shield of Faith
- Healing Word
- Spiritual Weapon

REACTIONS

- Opportunity Attack when a creature leaves your reach
- Cast a spell with a Reaction casting time

HOUSE RULES

- **Catch your breath.** Out of combat, spend one Hit Die + your Constitution modifier to heal. Up to 3 times all run; mark each on the Hit Dice track above.
- **Spellcasting.** Cast any spell of a type you can cast from a found Spell Book, if you have the slots. You can reach one level above your normal maximum by spending two slots of the level just below it: two level-1 slots cast a level-2 spell, two level-2 slots cast a level-3 spell like Fireball. That over-level cast needs a spellcasting check (DC 10 + the spell's level). The slots are spent whether you pass or fail, and a failure fizzles the spell.

ATTACKS & DAMAGING CANTRIPS

Roll d20 + the Hit number to hit with an attack. For a spell that forces a save, the target rolls against your DC instead.

ATTACK	HIT / DC	DAMAGE	NOTES
Word of Radiance	DC 13	1d6 radiant	CON save, Self (5-ft emanation)
Unarmed Strike	+5	4 bludgeoning	Melee

Writing in a weapon? To hit, add your proficiency and ability modifier: melee is +5 (STR), finesse or ranged is +3 (DEX). Add that same modifier to the weapon's damage.

WHO YOU ARE

YOUR ANCESTRY: HUMAN

Humans are the most adaptable people in the world. They do not have a single knack; instead they pick up a little of everything and push harder than most.

- **Resourceful.** You start play with Heroic Inspiration. You can spend it to reroll any one d20 roll and keep the result you want.
- **Skillful.** You are trained in one extra skill of your choice (already added into your Skills page).
- **Versatile.** You gained an extra origin feat at character creation (listed under Feats below).
- **Size and Speed.** You are Medium and move 30 feet on your turn.

YOUR BACKGROUND: GUARD

Your feet ache when you remember the countless hours you spent at your post in the tower. You were trained to keep one eye looking outside the wall, watching for marauders sweeping from the nearby forest, and your other eye looking inside the wall, searching...

- **Trained Skills.** Athletics and Perception (already on your Skills page).
- **Tools.** Choose one kind of Gaming Set.
- **Origin Feat.** Alert (explained under Your Feats).

YOUR FEATS

Feats are special perks from your background and choices, on top of your class.

- **Alert.** Origin Feat. You gain the following benefits. Initiative Proficiency. When you roll Initiative, you can add your Proficiency Bonus to the roll. Initiative Swap. Immediately after you roll Initiative, you can swap your Initiative with the Initiative of one willing ally in the same combat.
- **Tough.** Origin Feat. Your Hit Point maximum increases by an amount equal to twice your character level when you gain this feat. Whenever you gain a character level thereafter, your Hit Point maximum increases by an additional 2 Hit Points.
- **Dark Bargain.** A pact perk from your backstory. Confirm its exact effect with your DM before play.
- **Character Threads.** Threads are aspects added to characters at any time during their career that have a specific short or long-term goal.
- **Runestones.** At the beginning of the Northlands Sagas adventure path, each player should draw one Runestone randomly.

YOUR CLASS: CLERIC (LIFE DOMAIN)

A Miraculous Priest of Divine Power. Clerics can reach out to the divine magic of the Outer Planes and channel it to bolster people and battle foes. Primary Ability: Wisdom. Hit Point Die: D8. Saves: Wisdom & Charisma

Soothe the Hurts of the World. The Life Domain focuses on the positive energy that helps sustain all life in the multiverse. Clerics who tap into this domain are masters of healing, using that life force to cure many hurts.

WHO YOU ARE

Track your limited uses here. Each box is one use, and every per-rest use is doubled because this dungeon has no rest.

Channel Divinity

Spend a use to power a Channel Divinity option (Turn Undead or your domain's option).

- **Channel Divinity.** Channel Divinity use. You can channel divine power for special effects. You start with two options, Divine Spark and Turn Undead, plus your domain's option below. Track uses on your usage boxes above.
- **Divine Spark.** Magic action (Channel Divinity use). Point at a creature within 30 ft and roll dice to either deal Radiant or Necrotic damage (it makes a save for half) or restore its Hit Points.
- **Turn Undead.** Magic action (Channel Divinity use). Each Undead within 30 ft that can see or hear you must make a Wisdom save or spend 1 minute Frightened and forced to flee from you.
- **Divine Order.** Passive. You chose the Protector role: you gain proficiency with Martial weapons and Heavy armor.
- **Disciple of Life.** Passive. When you restore Hit Points to a creature with a leveled spell, it regains extra Hit Points equal to 2 + the spell's level.
- **Preserve Life.** Magic action (Channel Divinity use). Spend one Channel Divinity use to restore Hit Points equal to five times your Cleric level, split among Bloodied creatures within 30 ft. You can't raise anyone above half their Hit Point maximum.
