## ON YOUR TURN

Each turn you can **Move**, take one **Action**, maybe one **Bonus Action**, and between turns one **Reaction**.

### ACTIONS

- Cast a spell (see the Spell Reference pages)
- Attack with a weapon or damaging cantrip (see Skills page)
- Dash, Disengage, Dodge, Hide, Help, Search, Ready, Shove, Grapple, Influence, Study, Utilize

### BONUS ACTIONS

- Jump

### REACTIONS

- Opportunity Attack when a creature leaves your reach
- Cast a spell with a Reaction casting time

## HOUSE RULES

- **Catch your breath.** Out of combat, spend one Hit Die + your Constitution modifier to heal. Up to 3 times all run; make each on the Hit Dice track above.
- **Spellcasting.** Cast any spell of a type you can cast from a found Spell Book, if you have the slots. You can reach one level above your normal maximum by spending two slots of the level just below it: two level-1 slots cast a level-2 spell, two level-2 slots cast a level-3 spell like Fireball. That over-level cast needs a spellcasting check (DC 10 + the spell's level). The slots are spent whether you pass or fail, and a failure fizzles the spell.

SKILLS

A skill check is d20 + the number shown. A filled dot means you are proficient (already added in).

ATTACKS & DAMAGING CANTRIPS

Roll d20 + the Hit number to hit with an attack. For a spell that forces a save, the target rolls against your DC instead.

| ATTACK         | HIT / DC | DAMAGE        | NOTES              |
|----------------|----------|---------------|--------------------|
| Booming Blade  | +5       | 1d8 thunder   | Self (5-ft sphere) |
| Lightning Lure | DC 13    | 1d8 lightning | STR save, Self     |
| Unarmed Strike | +1       | 0 bludgeoning | Melee              |

Writing in a weapon? To hit, add your proficiency and ability modifier: melee is +1 (STR), finesse or ranged is +5 (DEX). Add that same modifier to the weapon's damage.

CANTRIPS — CAST ANY TIME, NO SLOT NEEDED

BOOMING BLADE *Evocation Cantrip*

**Casting Time:** Action    **Range:** Self (5-ft sphere)    **Components:** S, M (a melee weapon worth at least 1 sp)  
**Duration:** 1 round

Spell attack

You brandish the weapon used in the spell’s casting and make a melee attack with it against one creature within 5 feet of you. On a hit, the target suffers the weapon attack’s normal effects and then becomes sheathed in booming energy until the start of your next turn. If the target willingly moves 5 feet or more before then, the target takes 1d8 thunder damage, and the spell ends.

This spell’s damage increases when you reach certain levels. At 5th level, the melee attack deals an extra 1d8 thunder damage to the target on a hit, and the damage the target takes for moving increases to 2d8. Both damage rolls increase by 1d8 at 11th level (2d8 and 3d8) and again at 17th level (3d8 and 4d8).

LIGHTNING LURE *Evocation Cantrip*

**Casting Time:** Action    **Range:** Self    **Components:** V    **Duration:** Instantaneous

Saving throw

You create a lash of lightning energy that strikes at one creature of your choice that you can see within 15 feet of you. The target must succeed on a Strength saving throw or be pulled up to 10 feet in a straight line toward you and then take 1d8 lightning damage if it is within 5 feet of you.

This spell’s damage increases by 1d8 when you reach 5th level (2d8), 11th level (3d8), and 17th level (4d8).

MENDING *Transmutation Cantrip*

VIA RACE

**Casting Time:** 1 Minute    **Range:** Touch    **Components:** V, S, M (two lodestones)    **Duration:** Instantaneous

This spell repairs a single break or tear in an object you touch, such as a broken chain link, two halves of a broken key, a torn cloak, or a leaking wineskin. As long as the break or tear is no larger than 1 foot in any dimension, you mend it, leaving no trace of the former damage.

This spell can physically repair a magic item, but it can’t restore magic to such an object.

SPELL REFERENCE

PRESTIDIGITATION *Transmutation Cantrip*

VIA RACE

**Casting Time:** Action    **Range:** 10 ft    **Components:** V, S    **Duration:** 1 hour

You create a magical effect within range. Choose the effect from the options below. If you cast this spell multiple times, you can have up to three of its non-instantaneous effects active at a time.

***Sensory Effect.*** You create an instantaneous, harmless sensory effect, such as a shower of sparks, a puff of wind, faint musical notes, or an odd odor.

***Fire Play.*** You instantaneously light or snuff out a candle, a torch, or a small campfire.

***Clean or Soil.*** You instantaneously clean or soil an object no larger than 1 cubic foot.

***Minor Sensation.*** You chill, warm, or flavor up to 1 cubic foot of nonliving material for 1 hour.

***Magic Mark.*** You make a color, a small mark, or a symbol appear on an object or a surface for 1 hour.

***Minor Creation.*** You create a nonmagical trinket or an illusory image that can fit in your hand. It lasts until the end of your next turn. A trinket can deal no damage and has no monetary worth.

LEVEL 1 SPELLS — EACH CASTING SPENDS A SLOT

**Casting Time:** Action    **Range:** Self    **Components:** V, S, M (a drop of alcohol)    **Duration:** Instantaneous

You gain 2d4 + 4 Temporary Hit Points.

***Using a Higher-Level Spell Slot.*** You gain 5 additional Temporary Hit Points for each spell slot level above 1.

CURE WOUNDS *Level 1 Abjuration*

**Casting Time:** Action    **Range:** Touch    **Components:** V, S    **Duration:** Instantaneous

A creature you touch regains a number of Hit Points equal to 2d8 plus your spellcasting ability modifier.

***Using a Higher-Level Spell Slot.*** The healing increases by 2d8 for each spell slot level above 1.

JUMP *Level 1 Transmutation*

**Casting Time:** Bonus Action    **Range:** Touch    **Components:** V, S, M (a grasshopper’s hind leg)

**Duration:** 1 minute

You touch a willing creature. Once on each of its turns until the spell ends, that creature can jump up to 30 feet by spending 10 feet of movement.

***Using a Higher-Level Spell Slot.*** You can target one additional creature for each spell slot level above 1.

CATAPULT *Level 1 Transmutation*

**Casting Time:** Action    **Range:** 60 ft    **Components:** S    **Duration:** Instantaneous

Saving throw

Choose one object weighing 1 to 5 pounds within range that isn’t being worn or carried. The object flies in a straight line up to 90 feet in a direction you choose before falling to the ground, stopping early if it impacts against a solid surface. If the object would strike a creature, that creature must make a Dexterity saving throw. On a failed save, the object strikes the target and stops moving. When the object strikes something, the object and what it strikes each take 3d8 bludgeoning damage.

***At Higher Levels.*** When you cast this spell using a spell slot of 2nd level or higher, the maximum weight of objects that you can target with this spell increases by 5 pounds, and the damage increases by 1d8, for each slot level above 1st.

# Spell Reference

## SHIELD *Level 1 Abjuration*

**Casting Time:** Reaction    **Range:** Self    **Components:** V, S    **Duration:** 1 round

An imperceptible barrier of magical force protects you. Until the start of your next turn, you have a +5 bonus to AC, including against the triggering attack, and you take no damage from Magic Missile.

## THUNDERWAVE *Level 1 Evocation*

**Casting Time:** Action    **Range:** Self (15-ft cube)    **Components:** V, S    **Duration:** Instantaneous

Saving throw

You unleash a wave of thunderous energy. Each creature in a 15-foot Cube originating from you makes a Constitution saving throw. On a failed save, a creature takes 2d8 Thunder damage and is pushed 10 feet away from you. On a successful save, a creature takes half as much damage only.

In addition, unsecured objects that are entirely within the Cube are pushed 10 feet away from you, and a thunderous boom is audible within 300 feet.

*Using a Higher-Level Spell Slot.* The damage increases by 1d8 for each spell slot level above 1.
